Vice-Chancellor's Message

Chaudhary Charan Singh Haryana Agricultural University, Hisar has come a long way since its inception. This university keeps pace with the changing needs and expectations of the society at global level. The mandate of the university is to produce high quality human resource through multi-disciplinary approach to serve the nation in the areas of agriculture and allied fields. Apart from strengthening the teaching, research and extension programmes, special focus on agripreneurial skills & business skills alongwith extra co-curricular, sports and other similar activities to foster global competencies amongst the students is our priority.

ABOUT THE UNIVERSITY

Chaudhary Charan Singh Haryana Agricultural University (CCS HAU) is one of the biggest agricultural university in Asia. Located at Hisar in the North Indian state of Haryana, it is a leader in agricultural research in India and has contributed significantly to green and white revolution in India in the 1960s and 70s. At CCSHAU we benchmark only against the best institutions around the world. It has a very large and lush green campus and has several research centres throughout the State. It has won the Indian Council of Agricultural Research's (Best Institute) Award twice i.e. in 1997 and 2016. The University strives to achieve its mission through its team of highly skilled and well-qualified faculty with latest technologies which help to produce job providing, rather than job seeking, graduates. Our faculty and senior team travels all over the globe to learn and imbibe the best practices so that we can give a solid foundation for learning.

DIPLOMA IN AGROCHEMICALS AND FERTILIZERS

Scope and opportunities: The diploma is designed for the people who do not have basic knowledge of various inputs of agriculture with reference to agrochemicals and fertilizers. This diploma will enable the extension workers, agri-input dealers and other workers to build their technical competency in agrochemicals and fertilizers uses in agriculture and to serve the farming community in a better way.

Duration: One year (Two semesters)

Academic year: July, 2020 to June, 2021 with two sessions.

Centre for execution of diploma:

- College of Agriculture, Hisar
- College of Agriculture, Kaul (Kaithal)
- College of Agriculture, Bawal (Rewari)

Total Seats: 30 seats (including 10 seats which are preferred to industry-sponsored candidates) at each centre i.e., Hisar, Kaul and Bawal. Minimum 15 seats have to be filled for starting diploma.

Eligibility: 12th standard

Age limit: Minimum 18 years and maximum 55 years.

Selection procedure: On the basis of marks secured in 12th examination and experience gained in relevant field on 80:20 ratio. Six months experience carries 5.0 marks with a limit of 2 years for consideration.

Fee: Rs 30,000 per semester (Rs 60,000 annually) for non-sponsored candidates. For Industry-sponsored candidate, Fee is Rs 1.0 lakh per semester (Rs 2.0 lakh annually).

Credit hours requirement: 24 credit hours (12 credit hours per semester)

Application form for enrolment in “Diploma in Agrochemicals and Fertilizers”.
