### DIRECTORATE OF STUDENTS' WELFARE

SPORTS

The Directorate of Students' Welfare (DSW) office exists in the main campus for welfare of students. Different type of activities for students like NSS, NCC, sports and personality development through cultural, sports and other activities are coordinated by DSW office. The DSW also has University Counselling & Placement Cell to provide information about competitive examinations, job opportunities, scholarships/fellowships etc to the students. It also conducts trainings on personality development, entrepreneurship, motivational and professional lectures to the students. A fortnightly news letter 'Career Bulletin' is prepared by the Cell to provide information regarding placement, admissions, scholarships, fellowships etc. in India & abroad. The Cell also arranges campus interviews for job in the public and private sectors for the final year students.

NCC

CULTURAL PROGRAM

## Foreword

Chaudhary Charan Singh Haryana Agricultural University (CCSHAU), widely known as HAU, is one of the most prestigious agricultural universities of Asia. Since its inception in 1970 CCSHAU has earned a name for itself as a symbol of quality at both the national and international levels. The College of Agriculture, Kaul was established in 1974 as one of the constituent colleges of CCSHAU, Hisar. It is situated on the outskirts of village Kaul in district Kaithal of Haryana. The college has a lush green campus for bachelors & masters studies. Our excellent infrastructure provides the most conducive atmosphere for dynamic and focused teaching-learning for students, teachers and scientists. The campus also has a pioneer Rice Research Station (RRS) whose main aim is to develop and release the new varieties of rice. I am immensely pleased to know that the COA Kaul has come up with brief document about college in the form of a pamphlet. I am confident that this document will be useful in disseminating information about our college to a wider audience on a variety of occasions.

**Prof. (Dr.) B.R. Kamboj**  
Vice-Chancellor, CCSHAU

## Message

The College of Agriculture, Kaul imparts quality education in Agriculture to under-graduate and post-graduate students. The college offers B.Sc (Hons.) Ag. 4 years programme after 10+2 science stream and M.Sc. and Ph.D. in Agronomy, Genetics & Plant Breeding and Soil science. The College has well-equipped laboratories, modern class rooms with LCD facilities and an auditorium with a seating capacity of about 200 persons. The college has 20 faculty members in different disciplines of Agriculture. Quality education is imparted by the dedicated and competent faculty in different disciplines of agriculture and allied fields. Teacher-taught relation in the college is unique on the lines of our ancient Gurukul pattern which is very important in inculcating moral values in the students. The college provides an atmosphere for healthy academic activities as well as for all-round growth of students. The education system in college provides a great deal of openness, transparency and flexibility. Apart from teaching, the college is also involved in research and extension. The college has well equipped laboratories where students perform experiments and get practical knowledge. Scientists are also potential users of these laboratories. It has a well equipped computer center with internet facility. I am confident that the College will foster and grow its students into human resources with a diverse perspective, comprehensive professional knowledge, and a strong human character capable of sustaining our future.

**Prof. (Dr.) Surender Kumar Pahuja**  
Dean, COA, CCSHAU

## Principal's Desk

The College of Agriculture (COA) Kaul was earlier associated with Kurukshetra University, Kurukshetra and with the inception of HAU it became an integral part of CCSHAU. In addition to academic and curricular activities, the college offers co-curricular opportunities to its students. There are good play grounds, students activities centre, NSS and NCC units for all-round development of the students through various co-curricular activities. For acquiring academic and professional excellence, apart from class room, teaching and laboratory practicals, students are exposed to one year practical crop production and six months Rural Entrepreneurship Awareness Development Yojana (READY) programme. Emphasis is also laid on agro-based skill oriented activities viz. organic farming, sustainable agriculture, beekeeping, mushroom cultivation, vermicomposting, dairying, horticulture etc. The study tours and exposure visits to progressive and innovative farmers' fields is also an integral part of the curriculum. Till now, 1465 students of B.Sc. (Hons.) Agri. and 6 students of M.Sc. have completed their degrees from this college and are serving in universities, bank, armed forces, input industries, line departments, co-operative sector, public and private sectors. At present, 210 students including 106 girl students are pursuing B.Sc. (Hons) Agri. 4-year programme and 9 students are in M.Sc. and Ph.D. programmes.

**Prof. (Dr.) P. S. Panwar**  
Principal, COA Kaul

### ABOUT THE VILLAGE KAUL

Kaul village is located in Pundri tehsil of Kaithal district in Haryana (India) which is situated at 29°45' N and 76°52' E with the elevation of 254 m above mean sea level. By road, it is 38 km away in the north-west of Karnal, 25 km in the south-west of Kurukshetra and 6 km in the south-east of the Dhand, where the nearest railway station is located. The total population of village is 12,592 as per 2011 census. The village is relatively well-developed having many schools and two colleges namely College of Agriculture, CCSHAU and Babu Anant Ram Janta College. The village has historical places like Gadratheshwar Tirth, Dera Dhingli and Kapil Muni Tirth.

### MANDATE OF COLLEGE

- To cater to the needs of Agricultural Education for the North-East part of Haryana.
- To have better interaction between College of Agriculture, Hisar and this part of Haryana.
- To produce competent Agricultural graduates with the knowledge of location specific problems.

### DEPARTMENTAL FACULTY OF COA KAUL

2. SOIL SCIENCE

8. VEGETABLE SCIENCE

3. AGRI ECONOMICS

9. GENTICS & PLANT BREEDING

4. AGRI EXTENSION

10. AGRICULTURAL ENGINEERING

5. ENTOMOLOGY

11. LIVESTOCK & POULTRY MANAGEMENT

6. PLANT PATHOLOGY

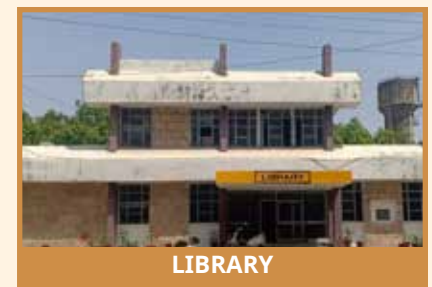

12. MATHEMATICS

## INFRASTRUCTURE

The campus is spread over one hundred sixty six (166) acres consisting of buildings, roads, playground, orchard (10 acres), and students' farm for raising field crops. Out of this, eighty two (82) acres are being used by Rice Research Station for development of rice varieties and their management. The college has magnificent infrastructure with multimedia classrooms, well equipped laboratories, seminar room, library and farm to cater to the academic needs of the students as well as the college faculty. The college has six rainwater harvesting points which are used to conserve rainwater and replenishing the groundwater level. There is also one "Experiential Learning Unit" of horticulture constructed by ICAR grant, equipped with latest equipments. The college campus includes college building, library, engineering workshop, campus school, dispensary, two hostels (Girls & Boys), rest house, dairy unit and sufficient number of residences.

**A. College Building:** College has a spacious building having four smart classrooms equipped with latest multimedia facilities. There are well equipped modern laboratories related to different disciplines of Basic Sciences, Agriculture, Engineering, Horticulture and Animal Husbandry.

**B. Library:** In the college library, there is a collection of about 18000 text and reference books, thirty six journals, manuals and previous years' questions papers. Five computers have been installed in the library so that users can access various information through internet.

LIBRARY

**C. Computer Lab:** The college has a well-equipped computer lab that offers internet access, data analysis, and documentation, as well as computer typing, scanning, and printing services.

**D. Examination Hall:** The college has one examination hall with a capacity of sixty students. The hall is provided with all the facilities to conduct the examination under one roof.

**E. Boys' and Girls' Hostels:** The College is having two hostels for boys and girls separately in the college premises with lodging capacity of 204 and 65 for boys and girls hostels respectively. Both the hostels have been provided with newspapers, LED TV, Wi-Fi, solar heating system and Gym facility.

BOYS' HOSTEL

GIRLS' HOSTEL

**F. Guest House:** There is a well furnished Guest House having one AC room and nine ordinary rooms for accommodating the visitors. The guest house has mess facility along with one recreational hall.

REST HOUSE

**G. Students' Activity Centre:** The College has established Students' Activity Centre with sitting capacity of 275 and three rooms for artists and other multipurpose activities.
