For combating the situation at hand, the following action plan is prescribed to carry out screening of the suspects, testing of all suspected cases, quarantine, isolation, social distancing and other public health measures in the Containment Zone as well as Buffer Zone effectively:

1. At-least **one teams** comprising of Asha Workers and ANMS for conducting door to door screening/thermal scanning of each and every persons of the entire households falling in the Containment Zone shall be deployed by the Civil Surgeon Hisar and for these teams there would be **one supervisors** doctor for supervision & reporting. All of them would work under the strict directions of the Civil Surgeon, Hisar. All the staff on duty shall be provided with personal protective equipments and other required devices for screening/thermal scanning etc. Gates/Door knobs of each and every household will be properly sanitized.
2. The entire areas of Containment Zone and Buffer Zone will be fully sanitized by the **Civil Surgeon, Hisar**. It shall be ensured by the Civil Surgeon, Hisar that the staff deployed for complete sanitization of the locality is adequately provided with personal protective equipments viz. face masks, gloves, caps, sanitizers, shoes and also follow social distancing norms. No sweeping of the area shall be done rather the solid waste shall be picked/lifted properly to avoid dust.
3. Movement of inhabitants of Containment Zone shall be absolutely restricted and the entire Containment Zone shall be sealed by deployment of adequate police force and setting up of required number of Nakas etc. by the **Superintendent of Police, Hisar/hansi**. The perimeter control will ensure that there is no unchecked outward movement of population from the containment zone except for maintaining essential services. Thermal screening, IEC shall be carried out at all entry and exit points. All vehicular movement, movement of public transport and personnel movement will be stopped in containment zone and all roads including rural connecting the containment zone will be guarded by the police. For personnel and vehicles requiring movement, a pass/ID card may be issued with details recorded and communicated by **concerned SDO (C)**. The Containment will be for **twenty eight days**.
4. **SDO (C), concerned** will also post signs and create awareness informing public about the perimeter control of the containment zone. Health workers posted at the exit point will perform screening (e.g. interview travelers, measure temperature, record the place and duration of intended visit and keep complete record of intended place of stay). Details of all persons moving out of perimeter zone for essential/ emergency services will be recorded and they will be followed up through IDSP. All vehicles moving out of the perimeter control will be decontaminated with sodium hypochlorite (1%) solution.
5. That in the buffer zone no perimeter control will be observed and all commercial activities will be continued as in other normal area.
6. Necessary barricading of the Containment as well as Buffer Zone shall be done by the **Superintendent Engineer, PWD (B&R), Hisar** in consultation with the Police Authorities.
7. Following officers are hereby appointed as Duty Magistrates for the Containment Zone and Buffer Zone for maintenance of law and order and to ensure supply of essential goods and effective enforcement of the parimeter control & implementation of all instruction/guidelines of the containment zone & incident commander in the containment zone and he will address the grievance of the public in the containment zone in consultation with SDO(c) concerned and other services providers/ departments:-
